Technology Center 2600

On 5/10/04, Applicant's attorney Steve Mendelsohn faxed a draft of an amendment in response to the Office Action dated 3/17/04 to the Examiner at 703-746-8755, for purposes of having a telephonic interview. On 5/19/04, Mr. Mendelsohn had two brief telephone conversations with the Examiner. During the first conversation, the Examiner stated that he had reviewed the draft amendment and indicated that it would overcome both the restriction requirement and the 112 rejections contained in the Office Action. During the second conversation, the Examiner confirmed that that same draft amendment would also overcome the prior-art rejections in the Office Action. The Amendment that was filed on 5/19/04 is identical to the draft that was faxed to the Examiner on 5/10/04.

Respectfully submitted,
